If you are uncertain of which days to fish you can usually reserve nearer the time but please note boats can get booked up especially at weekends. Lochside cottage guests do not need to fill this bit out as your boat comes with the cottage but please let us know if you would like to hire an electric motor. Declaration:

I/we enclose a deposit of £ (£100/week each cottage or £75 for 3 night stay) and I/we understand that the booking is for the holiday accommodation only (unless it is Lochside Cottage whereby it includes the use of a boat for fishing purposes for the duration of the stay. Please note the loch is a working fishery and as such we are not able to allow any pleasure boating hence the boat is for fishing only).
